BR 230

: product card

Barbara is a refreshed version of the iconic armchair produced by Bejot in the 1990s. This model combines the timeless aesthetics of a past era while adapting to the needs of modern offices and the rapidly changing expectations of users. The Barbara collection is an excellent example of durability both in terms of design and the materials used.

collection advantages

timeless on two levels

Barbara is a minimalist armchair whose versatile design seamlessly adapts to diverse environments, transcending trends and styles. Crafted from premium materials, its construction guarantees both enduring beauty and lasting durability. This harmonious fusion of form and function is truly timeless.

Past Inspiring the Present

The Barbara armchair is a modern reinterpretation of a 1990s classic, preserving its original design almost entirely. Today, this timeless form takes on a fresh new context, demonstrating that great design remains relevant across generations. It stands as a testament to how the past continues to inspire and enrich contemporary creations.

seating comfort

The Barbara armchair is designed for everyday ease, featuring specially selected foam in both the seat and backrest for a soft, supportive feel. Its unique structure gently adapts to the body's contours, offering a relaxed and enveloping sitting experience. Ideal for those who value comfort throughout the day, Barbara combines thoughtful materials with ergonomic design.
