## BO 4C3

**: product card**

The original shape of the bucket has been designed with great care and the craftsmanship inspires admiration. Unusual design combining modernity and classics makes Booij chairs fit even the most prestigious interiors. Booij Workstation allows you to arrange a private area, where you can isolate yourself from the hustle and bustle of your surroundings. The rounded form of the acoustic wall shields the user, protecting him or her from excessive noise and providing a moment of respite from the hustle and bustle.

# collection advantages

## Refined in every detail

The Booi is a perfect combination of the modernity with classics, a craftsmanship with a manufacturing and a style with a comfort. Unconventional, refined in every particular, this armchair is a product that fits even the most demanding interior.

## Undeniable convenience

The original, streamlined shape of the bucket was constructed with a great care to take care of not only the product design, but also the undeniable convenience and comfort of the users with different height.

## Natural beauty

A characteristic combination of the natural wooden veneer and an upholstered inner part of the bucket makes the Booi add warmth and style to any space. We propose two veneers to you: a delicate oak and a walnut full of character. And which veneer will you choose?
