## BO WS

: product card

The original shape of the bucket has been designed with great care and the craftsmanship inspires admiration. Unusual design combining modernity and classics makes Booi chairs fit even the most prestigious interiors. Booi Workstation allows you to arrange a private area, where you can isolate yourself from the hustle and bustle of your surroundings. The rounded form of the acoustic wall shields the user, protecting him or her from excessive noise and providing a moment of respite from the hustle and bustle.

# collection advantages

Booi Workstation is a compact, all-in-one acoustic furniture piece that offers comfortable seating, acoustic muting, energy-efficient lighting and a comfortable, adjustable tabletop where you can place your computer or phone or put down your coffee mug.

The rounded form of the acoustic wall shields you from almost all sides, protecting you from excessive noise and giving you a respite from the background chatter. At the same time, the unique armchair, refined in every detail, guarantees comfort and convenience.
