EL 103 black

: product card

The Epocc chairs prove that design, like history, likes to come full circle. The minimalist design and the possibility of upholstering one chair in two different colours make it possible to create a modern piece of furniture with soul.

collection advantages

eleven functions in one

Eleven practical functions include: seat height and depth adjustment, backrest locking in four positions, backrest and armrest tilt adjustment, backrest height adjustment and lumbar support adjustment. Each of these allows the chair to be tailored to the individual needs of each user.

airy membrane

The high-quality membrane on the backrest of the chair guarantees comfort for many hours of use. It ensures optimum air circulation and has a high resistance to distortion and abrasion.

handy hanger

A hanger can be fitted as an option.
