EP 220

: product card

The Epocc chairs prove that design, like history, likes to come full circle. The minimalist design and the possibility of upholstering one chair in two different colours make it possible to create a modern piece of furniture with soul.

collection advantages

comfort is in the detail

The ergonomic design together with the retention of the wide seat allows maximum seating comfort while maintaining a classic and stylish form.

stylish armrests

Complementing the standard form of the chair are armrests. They are available in two options of polyurethane pads (PU or PUT)

easy mobility

A special handle at the back of the backrest allows the chair to be easily moved to any location.
