FR TB 130

: product card

The Fora lounge system is a collection of deep, soft sofas enriched with additional elements such as acoustic walls, tables and chaise longues. The minimalist base frame provides an intriguing contrast to the soft and generous seats, backrests and cushions. Fora successfully brings homely warmth and cosiness into open office and public spaces.

collection advantages

classics and design

The oblong or square tops of Fora tables can be made of laminated board or oak plywood.

scandinavian design

The collection was inspired by Danish design, whose key elements are organic lines and simple form. The minimalist frame of the base provides an intriguing contrast to the spacious seats, backrests and tabletops.

domesticating the office

Fora successfully brings a sense of warmth and coziness to open office spaces and public areas.
