

gummy_bear

GB TM

: product card

Gummy_bear armchairs evoke associations with popular jelly gummy bears. The furniture is intended for outdoor spaces (terraces, gardens), though it also comes in variants with wooden and metal bases, making it suitable for indoor spaces (relaxation areas, lobbies). The material used is a rotomoulded plastic, which guarantees durability, weather resistance and long service life, after which it can be fully recycled.

collection advantages

100% recyclable

The material used is rotomoulded plastic, which guarantees durability, weather resistance and a long service life, after which it can be fully recycled.

many possibilities

Gummy_bear furniture works well in outdoor spaces: on terraces, balconies and in restaurant gardens.

It also fits into rest areas, waiting rooms or hotel lobbies.
