

kyos

KY 215 N

: product card

The simple and ergonomic form, emphasised by the transparent backrest, allows Kyos to harmonise perfectly with the interiors of offices, conference rooms, libraries and public spaces.

design:
Scagnellato & Ferrarese

Product website:
[\(click\)](#)

bejot:

collection advantages

Simple form, great possibilities

A simple and ergonomic form and an interesting design of the openwork backrest will add lightness to any interior.

First and foremost, functionality

A possibility of assembling a desktop, combining in rows, stacking the chairs and transporting them on a truck, are features that ensure an outstanding functionality. Thanks to this, the Kyos is perfect both in the modern conference and training rooms, and the small offices and reception desks.
