collection advantages

Chaise de bureau | gante

Sa silhouette lancée, son appui-tête intégré, ses accoudoirs futuristes et son mécanisme en aluminium poli en font un siège idéal pour les bureaux | gants et les bureaux | domicile.

deux hauteurs de dossier

Les fauteuils pivotants Lumi sont disponibles en deux hauteurs de dossier – avec ou sans appui-tête intégré. Les fauteuils Lumi conviennent aussi bien aux bureaux | gants qu'aux bureaux modernes.

une collection de chaises aux multiples possibilités

Le grand avantage de toute la collection Lumi est la large gamme de bases et jusqu'à trois types de baquets distinctifs. Cela permet de conserver un style commun au bureau, la salle de conférence et au salon.
