bejot:

collection advantages

minimalist desks

Orte desks are characterised by minimalism in form. The combination of wood and metal makes Orte desks work well in a classic or modern study or office.

mobility

Orte folding tables are the ideal solution for spaces that need to be frequently reorganised and adapted to current needs. Equipped with castors (including 2 castors with brakes), we can easily change the layout of a conference or lecture room.

tailor-made to suit your needs

The foldable top of selected Orte table models allows vertical stacking. This saves space and makes the tables easy to transport.

Table connectors (prevents overlapping table tops).

LRS1

For those tables that are to be put together it is necessary to use connectors for a specific type of table. The connectors prevent the curling of the tops that are put together. Extended concepts of tables settings require a drawing from the customer.
