ox:co_small

OX S 10R

: product card

A smaller version of the extremely popular chair collection, its well-known design retained in a smaller shell form. With its new dimensions, the chair takes up less space, making it lighter and more mobile. Ox:co small strikes the perfect balance between design, functionality and price.

collection advantages

Comfortable bar chair

The bar stools from the Ox:co small collection offer maximum seating comfort with a stylish shape at the same time. The bucket adjusts to the line of the back and provides excellent support for a fatigued spine. The metal frame features a comfortable footrest.

Bar stools are becoming more and more common. They appear not only in pubs and cafes, but are also often used in offices and homes.

Ox:co is a popular collection designed by Włodzimierz Orsztynowicz, which has been enthusiastically bought by our customers for years. The mini version is a well-known design retained in a smaller bucket form
