## Danish designer modular sofas

Plint sofas are comfortable seats with a durable steel frame and limitless possibilities of arrangement. The set consists of poufs, sofas, tables and acoustic walls.

Plint stands for timeless Scandinavian design and proven technological solutions. Thanks to dedicated connectors and a base that consists of cubes, only one person is enough to assemble the furniture.

For large and bustling spaces, we recommend supplementing the sets with walls that are filled in with high-quality acoustic foam. They limit the amount of noise that comes from outside and ensure intimacy of conversations.
