collection advantages

Round poufs

Point is a collection of round poufs that can be used as additional informal seating, or as comfortable footstools. They come in three widths, with feet in black plastic or solid aluminum. One of the models, the POP R 450, has double casters instead of feet for better mobility, making it easier to move.

dimensions

POP R 450

All dimensions are in [mm] and refer to basic version products. The indicated dimensions can change depending on the selected equipment package. Bejot reserves the right to change selected elements and this may slightly affect the product's dimensions. In case of any special requirements on dimensions of a given product, the afore-mentioned information should be acknowledged by the Producer. The specification does not constitute an offer within the meaning of the Civil Code. Dimensions and weights are approximate and may vary by 5%. The requirements of the standard are always met.
