quadra

QD 690

: product card

A system of simple sofas and poufs, enabling virtually any configuration. The modules can be used to create layouts that improve the functionality of rooms and passageways, creating discrete meeting and conversation spaces.

collection advantages

individual modular system

The wide range of modular elements allows you to arrange the space in any way you like - tailored to

new possibilities

USB chargers

An analysis of the most common difficulties resulting from the arrangement of rooms, such as the location of columns, niches, load-bearing constructions and sloping ceilings, has made it possible to create a universal collection to fit into any space.
