SV DK

: product card

Acoustic panels and screens that effectively reduce noise and improve comfort in open space offices. Designed to absorb the sounds generated by noisy office equipment and co-worker conversations, they allow you to stay more focused.

collection advantages

Take care of your work comfort

The Selva is a response to the need for the greater work comfort, thanks to improved acoustic conditions in the open office space. It provides a possibility of reducing the perceived noise by an average of 8dB, i.e. nearly a half.

Sound absorption

The products from this collection work perfectly not only between work stations, but also as a complement to the interior in order to absorb sounds generated via the loud office equipment or colleagues.

Acoustic parameters

Sound absorption coefficient α_w according to PN-EN ISO 11654:1999 - **0,25 (H)**

Sound absorption class acc. to PN-EN ISO 11654:1999 - **E**
