tables:conference

TB CONF3

: product card

A large, robust table with a natural, wooden and pleasant-to-touch top. An ideal piece of furniture for conference rooms. The natural cracks and knots accentuate the unique structure of the solid wood.

collection advantages

Natural wood

A solid table with a natural, wooden top that is pleasant to touch.

Durability and stability

A sense of durability and stability combined with an originally designed, asymmetrical base painted in the different colours can introduce an intriguing accent to the interior.

technical data
