

u_floe

UF TB

: product card

The U_floe collection was inspired by ice floes, forming harmonising patterns at random. The individual elements of the collection, combined in the chosen arrangement, provide each user with a touch of intimacy while fulfilling multiple functions.

collection advantages

Systems full of harmony

An inspiration for the creation of the U_floe were the ice floes, which in a completely random way create the interesting, harmonising systems. The individual elements of the collection, combined in the selected system, provide each user with a bit of intimacy while fulfilling many functions.

Create warm atmosphere

An addition of the high tables, planters and racks for the plants enable to provide a perfect complementation of the space, creating a warm atmosphere and a comfortable and ergonomic workplace or resting place.
