VO 271

: product card

The word "Volo" in Italian means "I fly," and symbolizes the **lightness, mobility, and freedom** that define the collection. Inspired by minimalist design, Volo combines elegance, durability, and efficiency. Every detail is thoughtfully crafted to optimize materials and reduce waste – without compromising strength or structure.

With its lightweight construction, stackable design, and the ability to connect in rows, the Volo collection is ideal for conference rooms, auditoriums, public spaces, and any environment that requires quick rearrangement. The range also includes benches available in 2-, 3-, 4-, and 5-seater versions, with or without an integrated tabletop.

collection advantages

Lightness. Freedom. Mobility.

The word "Volo" comes from Italian and means "**I fly**". It evokes the idea of flight – a symbol of lightness, movement, and freedom. These qualities are reflected in the chair's design: a slender frame and perfectly balanced proportions create a sense of visual lightness that harmonizes with any space. Thoughtfully designed, Volo maintains subtle elegance while delivering full functionality.

versatile colours to match every space

Volo chairs come in five vibrant colour combinations that energize the space and emphasize its character. With a choice of upholstered or plastic finishes, the collection adapts effortlessly to both minimalist interiors and bold, expressive spaces. As a result, Volo is not just a functional seating solution but also a decorative element that draws the eye and enhances the overall style of any environment.

freedom of choice

Volo offers true freedom of configuration, allowing you to create a chair perfectly suited to your needs and the style of your space. Choose from **six base options**, including castors, sled base, or classic four legs, and customize your Volo chair to fit any environment – whether for

conference rooms, auditoriums, or public spaces.
