voo_voo:9xx

VV 923

: product card

The unique high backs of the Voo_voo:9xx sofas create private spaces in large open areas such as universities, congress centres and open-space offices. The collection allows you to build flexible seating arrangements with high acoustic properties.

collection advantages

Sound absorption

An idea behind this design is to create a place of isolation in the open space, shopping centres, universities, schools as well as the other public use areas. A high upholstered backrest fulfils a role of the wall partitions, provides sound absorption and creates good acoustic conditions.

Private room

The Voo Voo 9xx enables to create a "private room" in the office, where we can concentrate on the project or have informal talks.

technical data Standard Option VV 923 CODE Base Chrome / powder coated - color: Copper skid with felt lining Powder painted (colors according to Bejot pattern book) 0 Additional equipment Mediaport (black): 1 voltage socket 230V (type E - Poland, France / type F - Germany / type [type]2VCC G - United Kingdom) + 2 x USB charger Mediaport (black): 2 230V sockets (type E - Poland, France / type F - Germany / type G -[type]2VV 0 United Kingdom)

Check if the product dimension does not conflict with the dimensions of the elevator and the entrance to the building where the product will be installed.

dimensions

VV 923

All dimensions are in [mm] and refer to basic version products. The indicated dimensions can change depending on the selected equipment package. Bejot reserves the right to change selected elements and this may slightly affect the product's dimensions. In case of any special requirements on dimensions of a given product, the afore-mentioned information should be acknowledged by the Producer. The specification does not constitute an offer within the meaning of the Civil Code. Dimensions and weights are approximate and may vary by 5%. The requirements of the standard are always met.
