collection advantages

created from nature

Wei is a simple line with a modern form and natural finish. A perfect example of the current Scandinavian design.

The main theme of the design is nature. The wood structure of the chair is clearly visible, with the chair itself being light and very practical. High-quality materials make Wei chairs timeless and durable.

wide range of possibilities

A wide range of natural veneer staining colours, armrests and an upholstered seat pad offering many design possibilities.

Models on a steel skid are also available.

All designs allow for stacking of up to 6 chairs.
